Coach Romney's East high Leopards will meet the Granite gridiron stars this week. The Leopards have won three games thus far this season and have established records that will compare with any high school aggregation in the state. The winner of the Ogden-West high game will battle the Leopards for the state title.

high school players and should be able to give the fans of Ogden a real treat Saturday. In the recent game against Weber only two of the first team players were in harness but in the coming game the stars will all be on deck.

It is expected that at least thirty-five of the best long distance runners of the state and other sections of the country will face the start in the big five-mile race here on November 11. Some of the best stars in the western country have already signed and the race should be a thriller.

Creed Haymond, Utah sprint star, is one of the many sprinters that is expected to enter the big service meet here on Armistice day. Haymond is

one of the fastest men in the entire country and at present is the college champion of America in the 100 and 200 yard dash events.

Coach Clarence Douglas is working his Tigers hard of late in an attempt to get the boys in readiness for the game against the West high Panthers at Salt Lake Friday. This contest will no doubt be the determining point between the Panthers and dTigers. If the Tigers win, which Ogdenites have every reason to believe they will, the locals will stack up against the Leopards here for the championship.

Coach Harry Halton has been working the Granite stars hard of late in preparation for the game with the East side. The dope sheet would surely look mild if the Granite stars were to defeat the Leopards. —But—as Ole Rube says,—'tain't happened yet.

Bunk Brown of the B. Y. U. at Provo and rated as one of the best milers in the state, is expected to enter the games here next month. Brown is state record holder for the mile run in the high school class, his mark be-

Clarence Preshaw
First Ogdenite to
Enter Marathon Here

Clarence Preshaw, distance star of Ogden, is the first Ogden runner to enter the live-mile open A. A. U. championship event which will be staged here on Armistice day, November 11. Preshaw is now in training for the big race and expects to make the veterans of Utah who are expected to enter, step to win. While in the service Preshaw won several races in the east and holds some good records for middle distance and long distance running.

In entering the local event Preshaw expects to show a world of class. In all of his past races he has shown this necessary fight and has always placed well to the front. In the coming five mile affair he will be pitted against some of the fastest five milers in the western country and competition in the coming race will be keen from the tip of the tongue to the finish.

Three champions of various sections of the country are expected to enter and with these men finally listed the battle for first honors will no doubt be keen. Martin Oakes, another Ogden runner, is also expected to enter the classic.

ing 4:38. The writer established a record of 4:36.3 while in high school but the mark was made in a dual meet.

Coming Tomorrow, Alhambra Theatre, "Married in Name Only" and Little Orphant Annie. A great home program. Bring the children. A splendid program.

Utah Aggies Are
Primed For Montana

LOGAN, Oct. 21.—With the first conference contest of the season only five days off, the Utah Aggies have set out to capture the opening game with the Montana State college. Coach Romney came back from Salt Lake today and started in by driving his men for three hours as a conditioning process before the big game on Saturday.

Only one Aggie was injured in the game last Saturday. This was Laura Crookston, the stellar guard, who suffered a broken bone in his hand. The injury will not keep him out long. These "iron claws" are now quite common in the A. C. camp. Dee and Hanson have played two weeks, each with a bandaged hand.

Coach Romney expects a much harder game on Saturday against the Montana Aggies than he had last week with the Missoulians. After all, it might be said that the Montana university is not considered very formidable this year, from the showing they made in Logan. Their defense was not very strong, as the Aggies were forced to kick only five times during the game, and most of these instances were the direct result of these in-yard penalties. On the offense they had nothing to offer but the "Minnesota shift," which was easily solved by the Farmers. With this analysis, Coach Romney has every reason to believe that the game next Saturday will be much more desperate than the one last week.

The A. C. freshmen are being groomed to meet Ott Romney's last bunch of Leopards from Salt Lake on Friday. From their showing of the past two weeks, the Salt Lakers are favorites in the game to be played, but the Aggie youngsters will give them a hard tussle. The Logan high school aggregation will meet the Leopards' second-stringers as part of the double football card on Adams field.

Fast Mit Bouts on
Salt Lake Program

SALT LAKE CITY, Utah, Oct. 21.—Carl Mackie, lightweight champion of Colorado, and Pat Gilbert, local light-

YOUR BUSINESS GROWS

if, in addition to manufacturing or selling a good product, it maintains a banking connection with a bank big enough and progressive enough to keep up with the expansion of your business.

No worthy enterprise of Ogden is too large, and none too small, to receive complete and comprehensive banking service and encouragement in the Ogden State Bank.

OGDEN

BANKH. C. BIGELOW,
President

weight kingpin, who will battle for the lightweight championship of Utah and Colorado in the six-round head-

liner of Hardy K. Downing's weekly boxing show in the Armory arena tonight, put the finishing touches on their training yesterday, and pronounced themselves in the pink of condition for the battle.

Both boys are eager for the big doings to start, and naturally are extremely confident of the outcome, with the result that the local fans should have a real treat for their weekly menu.

The rest of the card, which has been arranged by Manager Downing looks full of real action. There are a number of new boys on the card who are anxious to make good in their first time out before a local crowd, and they will surely be there with blood in their eyes.

The complete card is as follows:
Pat Gilbert vs. Carl Mackie, six rounds. Lightweights.
Willie Wise vs. Jay Solomon, four rounds. Featherweights.
Battling Lew vs. Chase Alexander, four rounds. Bantamweights.
Eddie O'Keefe of Philadelphia vs. Jack Shepherd, 150 pounds, four rounds.

Benny Russell vs. Tom Lewis of Magna, bantamweights, four rounds.
Kid Schuyler vs. Tommy Carroll, lightweights, four rounds.

Coast Magnates to
Meet For Session

SAN FRANCISCO, Oct. 21.—President Allan T. Baum of the Pacific Coast League today called the annual meeting of the league directors to be held next Friday, October 31, at the Hotel St. Francis. The annual meeting is usually held in December, but as the national association meets November 11 it was generally agreed that it would be better to have the Coast league meeting in advance, in order to determine questions of league policy.

President Baum's resignation, presented two months ago, will also be considered at the coming session and a number of matters of baseball importance will be discussed.

Willie Hoppe Wins
Feature From Yamada

NEW YORK, Oct. 21.—Willie Hoppe, national balk-line billiard champion, defeated Koji Yamada, the Japanese expert, in tonight's game of the national championship tournament, by a score of 400 to 129.

Yamada did not play with his usual dexterity, while Hoppe gave a brilliant exhibition of cue work, and ran out his quota of 400 in the eighth inning with an average of fifty. His three highest runs were 133, 115 and 72. This is the best average made so far in the tournament.

Yamada's average was 161-8, and his best runs were 49, 26 and 21. The schedule for tomorrow will bring the players together in the following order:

Slosson vs. Morningstar; Sutton vs. Cochran; Schaeffer vs. Yamada and Hoppe vs. Sutton.

Tobacco Habit
Dangerous

says Doctor Connor, formerly of Johns Hopkins hospital, thousands of men suffering from fatal diseases would be in perfect health to-day were it not for the deadly drug Nicotine. Stop the habit now before it's too late. It's a simple process to rid yourself of the tobacco habit in any form. Just go to any up-to-date drug store and get some Nicotol tablets; take them as directed and to the pernicious habit quickly vanishes. Prudence refund the money if they fail. Be sure to read large and interesting announcement by Doctor Connor soon to appear in this paper. It tells of the danger of nicotine poisoning and how to avoid it. In the meantime try Nicotol tablets; you will be surprised at the result.—Adv.

Johnny Noyes Wins
From Lew Tendler

DENVER, Oct. 21.—Johnny Noye, St. Paul lightweight, tonight was awarded a decision on a foul over Lew Tendler of Philadelphia in the third round of a scheduled twelve-round bout. Tendler had the advantage over Noye up to that round. Mike Erie of St. Paul won a decision over Harry Paul of Denver. They are bantamweights.

Tendler was unable to reach Noye until the second round, when he forced Noye into his own corner and showered him with rights and lefts to the head and body almost at will. Noye appeared to be in distress and Tendler was cautioned by the referee against hitting low.

In the third Tendler again took the aggressive and after a severe beating from Tendler, Noye fell to the floor in pain, asserting that he had been fouled.

The fight was scheduled to have been a twelve-round, no-decision affair. At the conclusion of the bout, Phil Glassman, manager of Tendler, emphatically refuted the claims of a foul. Glassman maintained that every blow struck by the Philadelphian was fair.

Dr. Alfred E. Max, official physician for the club promoting the bout and who examined Noye a few minutes after the latter had made his claim of foul, stated that his examination re-

The New Target Shooting

CIVILIAN America in adopting valuable Government methods learned in the war, has seized for a new sport the British development of small-bore target shooting. Community, industrial and institutional rifle clubs have begun an enormous expansion, centering around the small-bore regulations now officially prescribed by the National Rifle Association, for civilian shooters to qualify as Marksman, Sharpshooter or Expert.

Ask your local dealer, the live Remington UMC merchant whose store is Sportsmen's Headquarters in your community—one of more than 82,700 in this country. He will gladly tell you about it.

Or write to our Service Department. Your questions will be answered in detail and everything done to assist you in participating in this fascinating, beneficial and inexpensive sport.
